

Hahndorf Primary School Dress Code

Our expectation that students will be in Dress Code and Sunsmart is consistent with our aim to maintain a respectful and safe learning community

Our students wear clothes according to our School Dress Code with pride and for safety reasons. The Dress Code is practical, suits a wide range of activities, weather conditions, and is safe. The SA Department for Education and Child Development (DECD) supports a Dress Code policy which has been developed by the school community.

Exemptions from wearing school dress code can be sought through a written request from a parent or caregiver. Without school dress code students may be restricted from local walks, excursions, special events or school photography.

When students come to school out of Dress Code:

- An explanatory note from the parent / carer is expected
- If a pattern of non compliance is observed the class teacher will discuss the matter with the student and / or parent carer
- Continued non compliance will be followed up by the leadership team

The following is encouraged

- Outer jackets, Parkas, raincoats - preferably in school colours
- Scarves, gloves in school colours
- Hair Accessories in neutral or school colours
- Pedal Prix uniform

ALL Students are expected to wear hats (bucket or broad brimmed) when they are outside all months of the year except for May, June, July and August.

NOT ACCEPTABLE FOR SCHOOL

- Thongs and slip on sandals are a safety hazard at school
- Make up and nail polish are not appropriate at school
- Jewellery kept to a minimum (watches, medical bracelets, stud or sleeper earrings) for safety reasons
- Denim (other than plain black denim) is not permitted
- Brand name and logo prints are not part of our Dress Code

Casual Days

On occasions there will be Casual Days where students will raise funds for Charity through a single coin donation. On these days, safe footwear and sunsafe clothing appropriate to the age of the student will be allowed.

In line with health recommendations and our status as a Sun-Smart School we expect that children will:

Protect themselves from skin damage caused by the harmful ultraviolet rays of the sun by:

1. Wearing hats which protect the face, neck and ears (bucket and broad brimmed hats) when they are outside (eg sports, sport carnivals, outdoor excursions, learning activities and 1st and 2nd lunch periods) all months of the year except for May, June, July and August.
2. Using appropriate clothing, sunscreen and sunglasses during prolonged exposure to the sun.
3. Playing in the undercover area outside of the front office when they do not have their hats at 1st and 2nd lunch.
4. Being unable to participate in outdoor lessons and sitting in a shaded area.
5. Accepting a follow up consequence to remind them of the importance of being safe in the sun.
6. Observing the role models of staff and other students who are practicing sun safe behaviour themselves.

Our Dress Code & Sun Safe Policy reflects the following school virtues:

Respect
Commitment
Cooperation
Confidence
Courtesy
Flexibility
Honor
Loyalty
Respect
Responsibility
Self-discipline
Unity
