

Hahndorf Primary School Dress Code

This Code is in line with the Department for Education
School Dress Code Procedure

Our expectation that students will be in Dress Code and Sunsmart is consistent with our aim to maintain a respectful and safe learning community.

Our students wear clothes according to our School Dress Code with pride and for safety reasons. The Dress Code is practical, suits a wide range of activities, weather conditions, and is safe.

Exemptions from wearing school dress code can be sought through a written request from a parent or caregiver. Without school dress code students may be restricted from local walks, excursions, special events or school photography.

When students come to school out of Dress Code:

2. Using appropriate clothing and sunscreen during prolonged exposure to the sun.
3. Sitting in the reflection room if they do not have their hat during lunch times.
4. Sitting in a shaded area when they are unable to participate in outdoor lessons.
5. Accepting a follow up consequence to remind them of the importance of being safe in the sun.
6. Observing the role models of staff and other students who are practicing sun safe behaviour themselves.

Casual

On occasions there will be casual days where students will raise funds for charity through a single coin donation. On these days, safe footwear and sunsafe clothing appropriate to the age of the student will be allowed.
