

CYBER-SAFETY AT HAHNDORF PRIMARY SCHOOL Reception to Year 4

Dear Parent/Caregiver,

The measures to ensure the cyber-safety of Hahndorf Primary School are based on our core values. To assist us to enhance learning through the safe use of information and communication technologies (ICTs), we are now asking you to read this document and sign the attached Use Agreement Form.

The overall goal of Hahndorf Primary School is to create and maintain a cyber-safety culture that is in keeping with our values and with legislative and professional obligations. The Use Agreement includes information about your obligations, responsibilities, and the nature of possible consequences associated with cyber-safety breaches that undermine the safety of the school environment.

All learners will be issued with a Use Agreement and once signed consent has been returned to school, learners will be able to use the school ICT equipment. Material sent and received using the network will be monitored, and filtering and/or monitoring software may be used to restrict access to certain sites and data, including e-mail.

While every reasonable effort is made by schools, preschools and DfE administrators to prevent children's exposure to inappropriate content when using the department's online services, it is not possible to completely eliminate the risk of such exposure. In particular, DfE cannot filter Internet content accessed by your child from home, from other locations away from school or on mobile devices owned by your child. DfE recommends the use of appropriate Internet filtering software.

More information about Internet filtering can be found on the websites:
the Australian Communications and Media Authority at <http://www.acma.gov.au>
NetAlert at <http://www.netalert.gov.au>
the Kids Helpline at <http://www.kidshelp.com.au>
Bullying No Way at <http://www.bullyingnoway.com.au>.

Please contact the principal, if you have any concerns about your child's safety in using the Internet and ICT equipment/devices.

Strategies to help keep Hahndorf Primary School Cyber-safe

Parents/caregivers play a critical role in developing knowledge, understanding and ethics around their child's safety and safe practices regardless of the time of day. Being cyber-safe is no exception and we invite you to discuss with your child the following strategies to help us stay safe when using ICT at school and after formal school hours.

1. I will use school ICT equipment only when my parents/caregivers have signed my Use Agreement form and the completed form has been returned to school.
2. I will use the computers and other ICT equipment only for my learning and only with my teacher's permission.
3. I will go online or use the Internet at school only when a teacher gives permission and an adult is present.
4. If there is something I'm not sure about, I will ask my teacher.
5. I will use the Internet, e-mail, mobile phones and any other ICT equipment only for positive purposes. Therefore, I will not be mean, rude or unkind to or about other people.
6. I will keep my password private.
7. If I find anything that upsets me, is mean or rude, or that I know is not acceptable at our school, I will:
 - not show others
 - turn off the screen
 - get a teacher straight away.
8. I will be careful and will look after all our school ICT equipment by:
 - not being silly and playing around with it
 - following our school [or preschool] cyber-safety strategies
 - telling a teacher about anything wrong or damaged.
9. If I'm not cyber-safe, the school may need to tell my parents/caregivers and there may be consequences associated with my behaviour.
